CITATION:

Peter has been a leader in the field of coaching Touch since 1991. After a successful playing career at State level, Peter has gone on to become one of the most successful coaches Australia has produced.

Peter has also been responsible for the promotion and coaching of Touch throughout Queensland schools. This has increased the linkages between school and representative Touch. He has also been instrumental in establishing Touch as one of the most popular sports in QLD Schools. As Qld and Australia women's coach Peter has tasted great success with several World Cup trophies in his cabinet.

Peter is very highly respected by fellow coaches and players. His dedication to the sport of Touch is unfaltering. This along with his desire to give back his knowledge and skills to the game is testament to his passion of Touch. Peter is an important member of the Touch community throughout Queensland and Australia.
